# TRUST US. THEY'LL BE TALKING ABOUT THIS ONE!

***Because "Just Another Event" Isn't Your Style.***

Lucky Shots is Minneapolis' indoor sports entertainment destination, built to bring people together through unforgettable experiences. With 18 thoughtfully designed pickleball courts, four unique event spaces, great food and drinks, and a vibrant social atmosphere, we make every event feel special.

Our space blends pickleball with unexpected art, statement chandeliers, bold installations, and one-of-a-kind details you won't find at a traditional event venue. It's a place designed to surprise, energize, and bring people together.

Host your corporate team-building event, company outing, fundraiser, meeting, birthday, or celebration with us, and let our team handle the details while you focus on having fun! Enjoy friendly competition on the courts or choose from customizable gameplay experiences designed to keep your guests engaged, connected, and talking about the experience long after the last game.

What kind of experience are you looking for?

# LET'S SERVE UP SOMETHING SPECIAL

***From courts-only reservations to fully customized events with dedicated space, catering, courts, and staff, explore the different ways to make your Lucky Shots experience your own.***

# WE WILL HANDLE THE BRACKETS. YOU TAKE THE TROPHY.

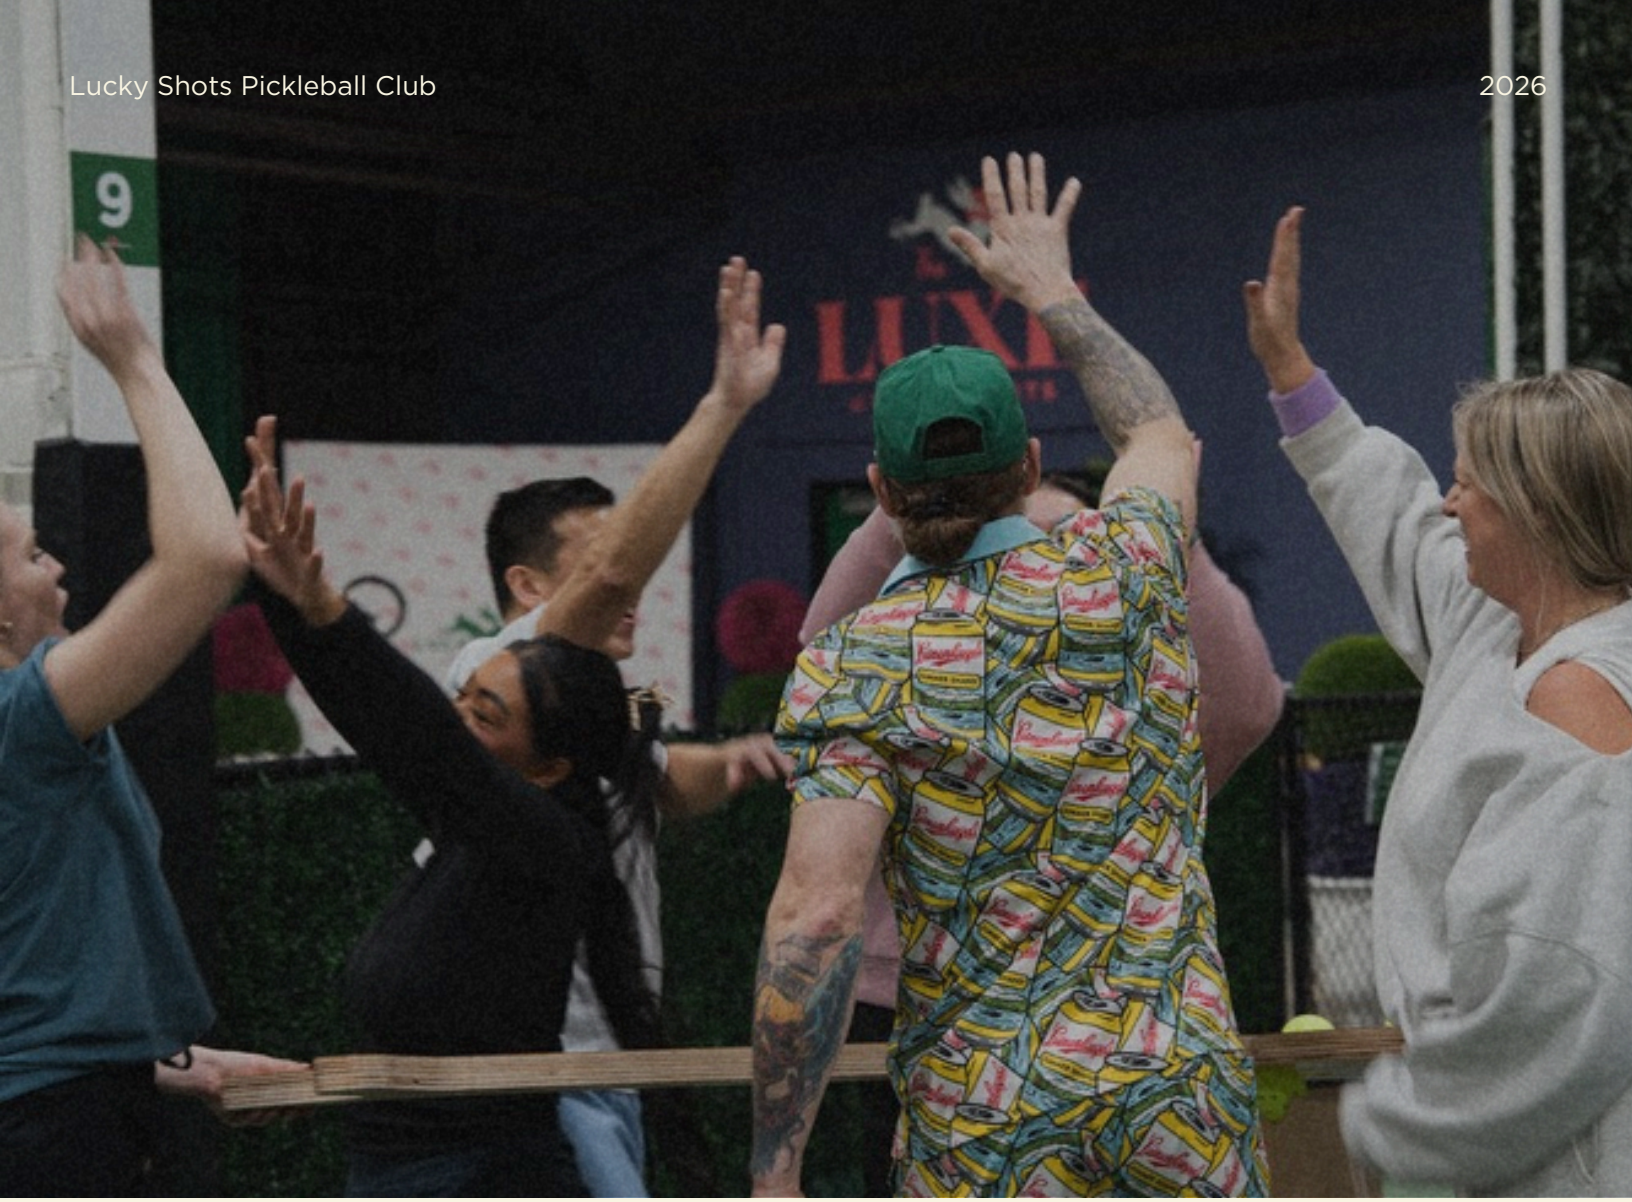

***Let Us Run The Tournament!***

Planning a tournament doesn't have to be stressful. At Lucky Shots, our experienced team handles the logistics so you can focus on the competition. We'll take care of scheduling, court assignments, scoring, and event coordination to ensure everything runs smoothly. Whether you're hosting a corporate tournament, fundraiser, or private competition, we'll create a seamless experience that keeps players engaged and guests having fun.

***What's Included:***

- Dedicated Tournament Director throughout the planning process
- Customized tournament format recommendations
- On-site tournament staff for day-of execution
- Court scheduling and match coordination
- Real-time tournament administration
- Event flow and pace management
- Skill level and division planning
- Player and team management
